

# GROUP VOLUNTARY CRITICAL ILLNESS INSURANCE BENEFIT HIGHLIGHTS

**65%** of American cancer survivors did not have sufficient income to cover **out-of-pocket expenses** for cancer treatment and other incurred debts **related to the illness.**<sup>1</sup>

## The Arc of Washington County

Facing a serious illness can be devastating both emotionally and financially. Major medical insurance may pick up most of the tab, but can still leave out-of-pocket expenses that add up quickly. Critical Illness insurance can provide a lump-sum benefit upon diagnosis that can be used however you choose - from expenses related to treatment, to deductibles or day-to-day costs of living such as the mortgage or your utility bills.
