

Easy-to-read document helps you understand your benefits

As part of the health care reform law, the government established a new health plan information document called the **Summary of Benefits and Coverage (SBC)**. The SBC will help you understand and compare different medical plan options. It provides an overview of each medical plan in a standard format and is written in easy-to-understand language. This SBC is for the **2024 plan year** (1/1/2024 through 12/31/2024).

The Summary of Benefits and Coverage (SBC) for the health plans offered by The Arc of Washington County, Inc. is available in PDF format on SharePoint, under “Resources > Documents” on [KTBSonline.com](https://www.ktbsonline.com) and on [myMonarc.org](https://www.monarc.org). The SBC is also available in paper form free of charge upon request. Contact Janis Williamson, HR Specialist, via email JLWilliamson@arcwc-md.org or call 301-797-2121 x2236 to request a paper copy.

The Summary of Benefits and Coverage includes three parts:

- Benefits and coverage information
- Coverage examples
- A URL to guide you to the online Uniform Glossary (healthcare.gov/sbc-glossary)

Benefits and coverage information

This section includes a chart that lists the main features of your medical plan option(s). It answers fundamental questions about the coverage levels of the plan options. It also provides specific information about coverage for different services, such as office visits, prescription drugs and emergency room services.

Coverage examples

The coverage examples included in each plan’s document shows how the plan might cover medical care for three specific scenarios – “Having a Baby,” “Managing Type 2 Diabetes,” and “Simple Fracture.” The examples show what the plan would pay and what the patient would pay based on a common set of assumptions. It is important to note that these are examples only. They should not be used to estimate your actual costs under the plan.

Uniform Glossary

The SBC explains how to access or request a glossary with definitions for common health insurance and medical terms, such as copayment and deductible. There may be differences between terms found in the Uniform Glossary and those in your health plan documents. In these instances, you should go by the terms in your health plan document.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-888-982-3862. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-888-982-3862 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In- <u>Network</u> : EE Only \$2,000; EE+ Family \$4,000. Out-of- <u>Network</u> : EE Only \$2,000; EE+ Family \$4,000.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u>?	Yes. In- <u>network</u> <u>preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	In- <u>Network</u> : EE Only \$6,550; EE+ Family: Individual \$6,550/ Family \$9,100. Out-of- <u>Network</u> : EE Only \$30,000; EE+ Family: Individual \$30,000/ Family \$60,000.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover & penalties for failure to obtain <u>pre-authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.aetna.com/docfind or call 1-888-982-3862 for a list of in- <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
